

Project - WE CARE

Project - WE CARE is a program developed by Gibson County Utility District to help our customers who are elderly, handicapped, or in need of assistance with their gas utility cost. Your contributions to this program are tax deductible and will directly help a Gibson County Utility District customer in need.

I understand this contribution will be added to my utility bill.
I understand that it can be stopped at any time.
The entire proceeds of this program are distributed to
Northwest Economic Development for distribution.
