

RATE SCHEDULE "95"

COMPRESSED NATURAL GAS – METERED SERVICE

INTENT

In the best interest of prompting energy supplies of natural gas as an alternative to imported crude and petroleum products, Gibson County Utility District has developed a CNG Metered Service rate based upon the most economically attractive existing rate designs available to the District. The Compressed Natural Gas (CNG) rate is being used as an economic development incentive to promote the use of abundant, clean-burning, domestically produced natural gas by our customers and to promote the development of infrastructure for CNG vehicles.

DEFINITIONS

"CNG" means compressed natural gas being used solely for the fueling of EPA approved commercial or personal vehicles utilizing natural gas as a fuel source.

"Customer" means a person or entity contracting with or otherwise receiving services from Gibson County Utility District for CNG gas service under Rate Schedule "90".

"Firm Gas" means that gas not subject to interruption or curtailment except for emergency or other causes as provided in the Rules and Regulations of Gibson County Utility District.

"gge" means gallon of gas equivalent and for purposes of this rate schedule shall mean the current cost per therm of natural gas multiplied by a factor of 1.2667.

AVAILABILITY

Service under Rate Schedule "95" is available to any commercial, industrial or residential customer provided:

- a) The Customer is located within the service area of Gibson County Utility District; and
- b) The Customer is using natural gas supplied under Schedule "95" exclusively for the use of fueling either commercial or personal vehicles; and
- c) Gibson County Utility District must determine that its existing distribution system facilities are adequate and available for the requested service; and

In the event Customer shall fail to continue to meet conditions a) through c) at any time, service under Rate Schedule "95" shall no longer be available to that customer and the customer shall be reclassified to the appropriate rate schedule or service can be subject to termination.

A Customer may have multiple meters at each location. Each meter must meet the conditions imposed by above sections a) through c) to qualify for Rate Schedule "95". If a meter fails to meet the conditions imposed by a) through c), the meter will be billed under an appropriate Rate Schedule determined at the sole discretion of Gibson County Utility District.

CHARACTER OF SERVICE

Service under Rate Schedule "95" is designed for any and all applications of CNG vehicle filling stations including, but not limited to:

- Commercial entities selling CNG to the public
- Private fleet filling stations
- Residential filling stations

NET RATE

The net rate for service under Rate "95" for each monthly billing period shall be the sum of the Customer Charge and the Commodity Charge, each calculated as follows:

Customer Charge:	\$ 45.00
Commodity Charge:	\$ 0.50 per Therm plus the cost per Therm of gas sold to Customer.

PURCHASED GAS ADJUSTMENT

The cost per therm of gas sold to Customer that is included in the Commodity Charge shall be subject to the Adjusted Purchase Gas Adjustment of Gibson County Utility. The Adjusted Purchased Gas Adjustment for CNG will be, the retail rate for natural gas service, first tier, under Rate Schedule "22".

PAYMENT TERMS

Bills for service under Rate Schedule "95" for the GCUD Private Pay cards are rendered monthly. Each bill rendered for service is due and payable on the date it is issued. The rates and charges under Rate Schedule "95" are net. the gross rate being fifteen percent ("15%") higher. In the event the current monthly bill is not paid on or before the last date for payment as specified on the bill, the gross rate shall apply to any unpaid amount of the bill.

SERVICE AVAILABILITY

All requests for new or additional service or the transfer of existing service to higher priority end use will be supplied based on the judgment of Gibson County Utility District as to the available gas supply, the load factor or use pattern of the Customer, end use priority as may be specified by the Federal Energy Regulatory Authority, impact on the local economy, and laws of the State of Tennessee.

RULES AND REGULATIONS

All service provided hereunder is subject to the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.

SERVICE INTERRUPTION AND CURTAILMENT

Gas service under Rate Schedule "95" is subject to the curtailment provisions contained within the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.
